Transnational Meeting 5

Agia  
30<sup>th</sup> to 31<sup>st</sup> August 2022

## 1. Introduction

In this moment each Network city partner ULG has revised the respective Roadmap objectives and indicators using the Tools and the experience done in the meeting in Vilani. This is the fifth transnational meeting of Volunteering Cities and the **objectives are**:

- To establish an effective monitoring and evaluation process to measure Roadmap implementation achievements
- To make Study visits to selected cases
- To deep dive into the volunteering dimensions of the Agia actions/initiatives within a learning exchange among peer cities
- To promote capacity building regarding Module 4: Corporate citizenship and the SDGs

Main **outputs**:

- An analysis and discussion of Progress and of achievements using Methods and Tools presented in Vilani
- To analyse and improve the Roadmaps through the Exchange and Peer Learning process and to establish eventual bilateral collaborations.
- To improve the performance of Module 4

## **NOTE:**

**Please bring with you:**

- Your Roadmap
- A short presentation (10 minutes) on the QUANTIFIED EVALUATION of the implementation of the Roadmap by each one of the Modules using the indicators that were established.  
This presentation shall demonstrate by each Module:
  - success of mobilization of members to the ULG
  - achievements NOW in comparison with the beginning of the project
  - measured impact of the achievements
- A plan of bilateral activities with which partner could be beneficial to improve achievements
- The revised table of the monitoring exercise
